The scores of other kiteboards shall not be changed; therefore, two kiteboards may receive the same score. However, the race committee or technical committee may protest a kiteboard when they consider the standard penalty to be inappropriate.  - They understand and acknowledge that the Event organisers (including all officials and event volunteers) provide no warranties, regarding their wellbeing and safety.
 - They acknowledge that participating in this event may involve a test of a person's physical and mental limits and carries with it the potential for death, serious injury, and property loss. The risks include, but are not limited to, those caused by the elements, facilities, temperature, weather, condition of participants, equipment, vehicular traffic, lack of hydration, and actions of other people including, but not limited to, participants, volunteers, officials, and/or producers of the event.

- They consent to receive medical treatment which may be deemed advisable in the event of injury, accident, and/or illness during this event.
- They acknowledge that the provision of a race management and rescue team, judges, umpires and other officials and volunteers by the organizer does not relieve them of their own responsibilities;
- They acknowledge that the provision of rescue craft cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
- Participants are made aware that small unmanned aircrafts (drones) may fly over them and operate in close vicinity to them.

ADDENDUM 7

SINGLE SERIES

1. Single Series

The Single Series may be divided into a Qualifying Series and a Final Series.

1.1 When there is a Final Series, it will be scheduled for the **one/two** last racing days.

1.2 When the format includes a Qualifying Series:

a) On the first day of racing, kiteboards will be assigned to fleets yellow, blue, red etc., of, as nearly as possible, equal size and ability. Assignments will be made by the race committee based on the kiteboards' current standing in the world ranking and will be posted at least 30 minutes before the first warning signal is made. Those assignments will not be grounds for redress. This changes RRS 62.1(a).

b) Kiteboards will be reassigned to fleets after each day of racing, except if only one race is completed. If all fleets have completed the same number of races, kiteboards will be reassigned on the basis of their ranks in the series. If all fleets have not completed the same number of races, the series scores for reassignment will be calculated for those races, numbered in order of completion, completed by all fleets. For three fleets, and similarly for any other number, reassignments will be made as follows:

First	Yellow
Second	Blue
Third	Red
Forth	Red
Fifth	Blue
Sixth	Yellow

Seventh Yellow

etc.

c) Reassignments of fleets will be based on the ranking available at 2100 on the day before they take effect, regardless of pending hearings.

d) If all fleets have not completed the same number of races by the end of a day, the fleets with fewer races will continue racing the following day until all fleets have completed the same number of races. All kiteboards will thereafter race in the new fleets.

e) If at the end of the Qualifying Series some kiteboards have more race scores than others, scores for the most recent races will be excluded so that all kiteboards have the same number of race scores.

f) RRS A5.2 is changed so that the scores are based on the number of kiteboards assigned to the biggest fleet.

1.3 If 4 or more races are completed by each fleet at the end of the Qualifying Series:

a) Kiteboards will be assigned to fleets gold, silver, bronze etc., based on their Qualifying Series ranking. There will be the same number of fleets in in the Final Series as there were in the Qualifying Series. The Final Series fleets will have, as nearly as possible, equal size and the Gold fleet will not be smaller than any other fleet. Kiteboards with the best Qualifying Series ranks will race all Final Series races in fleet gold, kiteboards with the next-best Qualifying Series ranking will race in fleet silver, etc.

b) Any recalculation of rankings after kiteboards have been assigned to Final Series fleets will not affect the assignments except that a redress decision may promote a kiteboard to a higher fleet.

- 1.4 A kiteboard's Opening Series score will be the total of her race scores except that:
- when from 4 to 6 races have been completed her worst score will be excluded;
 - when from 7 to 10 races have been completed her two worst scores will be excluded;
 - when 11 or more races have been completed her three worst scores will be excluded;
- however, not more than one score from phase Q3 may be excluded when less than five Q3 races have been completed, and not more than two scores from phase Q3 may be excluded when five or more Q3 races have been completed.

This changes RRS A2.

- 1.5 When there is a Final Series, kiteboards will be ranked in the order of the kiteboards competing in fleets gold, silver, bronze, etc. This may not apply to a kiteboard disqualified under RRS 6 or 69.
